Centenary Celebrations

What a truly spectacular day! It was so wonderful to see so many happy faces, we should all be very proud of our efforts and our school!

I would like to personally thank Craig, Scotty, Theresa, Trish and Cyril for making the grounds look amazing, the school staff, the centenary committee, the P&C, all of the community and organisations who supported us on the day and a special thank you to the Threadgate family who helped set up on Friday, stayed and worked all day Saturday, helped pack up on Saturday and then went fighting fires Saturday afternoon and Sunday!!!!

I would also like to express how extremely proud I was of our students. Their behaviour and contribution to the day was outstanding. Well Done!!!!

We still have some memorabilia for sale. If you or someone you know might be interested in purchasing please contact the school. All proceeds go directly back into the school.

Pre School Orientation.

This week also saw the commencement of our 2014 preschool orientation. Three very enthusiastic and brave young people arrived for a morning of fun and games and left a little braver and looking forward to next week. Actually nobody wanted to go home!

Puberty Clues

This week year 6 had their first two of three sessions at Gloucester Public School learning about various aspects of growing up. It is important that you talk to your child about these sessions and what they have learnt. They also have homework that they need to complete for each session which may also require input from a parent/guardian.

Have a great weekend

Intensive Swimming 2014

You would have received your permission note for Intensive swimming last Thursday, if you have misplaced your note please send your child in to the office to collect another.

Swimming this year goes for just one week only, this will condense the program into five 2 hour sessions, this was decided so as to ease the bus costs to families.

Please return your permission slips and full payment no later than Monday 17th November.

I will be performing the schools annual financial rollover at the end of November and it is important that all outstanding amounts are fully paid before this time to enable me to do so smoothly.

Feel free to make payment in instalments, just label an envelope with student's name and amount paid. Thank you.
