## Troppo Bob

All families should have returned their permission notes, money and lunch orders and money to the school office by today. If you have not already done so, please ensure they are returned by **tomorrow** at the latest.

Thank you

## Sign In and Out Folder

Please ensure that all parents, carers, volunteers and visitors present themselves to the admin office on arrival at school if they are staying on-site for any period of time. They will need to have a site induction and sign in on their arrival and then again when leaving. This process is not difficult and the induction only takes a few moments. If I am not available or not on site Mrs Hughes or Mrs Sansom will be able to direct you to what needs doing. Once you have had the site induction you do not need to do it again, just enter a 'Yes' in the appropriate column on the sign-on sheet. A large number of family members and friends were inducted at the Mother's Day Morning Tea last week. These procedures ensure our Work Health and Safety procedures are being carried out correctly at all times. Thank you  
Mrs Waters

## P & C News

Our next and deciding meeting will be held on Tuesday, 2nd June starting at 3pm. As stated in the letter sent home to all families last week, our P & C need more family members to join our P & C and take on some tasks to support it. At the moment we only have 3 active members.

There have to be a minimum of 5 to be able to vote on decisions that have been made.

Not only do we need support at meetings but people to help our at Woolworths BBQ days, fundraising, working bees etc.

Your children could possibly have a canteen held once a month if more people were to volunteer their time.

Please think about joining and attending our P & C, if we do not improve our membership we will have to inform the P & C Federation and close ourselves as a committee.

Our Hot Dog Day that was advertised in the Term calendar for 20th May will now take place on the 27th May.

Thank you

P & C Committee

## Mother's Day Morning Tea

It was lovely to see such a wonderful turn out for the P & C morning tea last week. The children always love having their family members and special friends attend events and it was great to see such a large crowd. We hope you all liked your Mother's Day gifts each child made for you and that you had a wonderful day together on Sunday!

## Mastering spelling

Are you checking your child's weekly spelling homework? Try talking to your child about how you spell, and what you do when you don't know how to spell a word. Here's some advice about how to help your child master spelling.
