Term 4 - Week 4 - Wednesday 1st November 2017

Zoo Snooze

Wow! What a tremendous two days. Firstly I would like to congratulate and thank all of the students who did an amazing job representing our school on this excursion. Your manners and behaviour were outstanding! It is always a pleasure to take away such a wonderful group of students.

We had a very busy two days with late nights and early mornings. The weather was not our friend on the Friday with quite heavy rain throughout the day however, the children soldiered on and we got to have many close encounters with a variety of animals. Thank you to Mrs Sansom and Mrs Beard for supervising the excursion and for giving up sleeping and showering for two days. We would also all like to thank Peter from Newcombes for getting us safely from Stratford to Sydney and back.

Day for Daniel

We finally managed to login to the Day for Daniel Biggest Child Safety Lesson Broadcast last week after some technical issues. It was a program delivered by Mr and Mrs Morcombe and a police officer. This program enlightens and empowers children to be aware of danger, how to react to it and what to do afterwards. To **Recognise, React and Report!** Please continue to discuss your children's safety at all times with them and how they can best keep safe. This program highlighted some areas of need and understanding in some of our children.
