Term 2 - Week 8 - 2017

Wednesday 14th June 2017

Next week will see a busy week at Stratford Public School. Thank you for the return of notes and money for the excursions next week.

We are very excited for our week of musicals, multiculturalism and Ice Shows!

Week 9 sees the beginning of some very intense training for Mrs Waters and myself. Term 3 will be very trying and busy and we would appreciate your patience and help at times when the office is unmanned, we have casual staff as relief and are generally very busy learning a completely new system. We are not alone in this and hopefully our Bucketts Way Community of schools will be able to support and help each other out regularly. You may possibly see some relief staff in the office at times, either Mrs Allen who has been at Stratford a few times or some new staff members; Mrs Alison Chapman or Mrs Shelly Wright. Please say a big hello if you see them at any time!

Wet Weather Play

Due to the continuing rain of late if students would like to bring in some games or craft activities (that are not too messy) to play at recess and lunch they are more than welcome. If you have any games etc you would like to donate to school we would appreciate it. The girls have been making loom band bracelets recently and having lots of fun. We have ordered a big supply of bands so they can continue their creating. Thank you to Malia for sharing her bands for now, we will replace them when our supply arrives. Please no expensive or electronic devices for normal play times (only bring your electronic devices on BYO Device Day 22nd June). Thank you.
