Gloucester Show Excursion

How lucky were we with the weather on Friday. We did not get wet at all, it was a little muddy underfoot but other than that it actually got quite warm at times. A great day was had by all watching the cow/horse events. Viewing the exhibits on show including all the artwork from schools. It was a busy day for all and full on, with everyone only stopping to eat. We had some success in the artwork sections as listed below. Well done everyone and to Mrs Beard who spends weeks in art lessons and hours of her personal time getting all the artworks ready for the show. Congratulations to Brady who won the colouring in competition and won a family entry to the show as a prize. We hope you all had a great day!
