Term 3 Week 6 Thursday 29th August 2019

Wow! It is hard to believe that we are already over half way through the term. It has been wonderful to see our students so enthusiastic about their learning and I can't wait to see what the next 5 weeks will bring. Thank you to the P&C who have done a wonderful job so far this year raising funds for our small school as well as providing our students with a free breakfast club.

Book Week and Education Week Celebrations

Thank you to everyone who attended our Book Week and Education Week Celebrations last Friday. It was great to see so much support for our students. We hope you enjoyed the festivities and the time spent in the classroom looking at your child's/children's work.

SAS Staff Recognition Week

This week is SAS Staff recognition week. This gives us an opportunity to thank all of our wonderful SAS staff who work tirelessly at our school. Our SAS staff include Mrs Waters, Mrs Hawkins, Mrs Cameron and Mr Jacobson, without them our school would not run as smoothly and we appreciate everything they do for both other staff members, students and the school community.

Parking

Our postie has asked if we could please remind our school community to not park in front of the mailboxes across the street from the school during the morning mail run.

School Photos

School photos have been booked in for Thursday 31st October (Term 4, Week 3). We will send more details home, including payment, information closer to the date.

K-2 Excursion

Notes have been sent home regarding our K-2 excursion to Billabong Zoo. If you could return the permission notes and money ASAP it would be greatly appreciated. If you need some help covering the cost of the excursion please don't hesitate to contact the school.

P&C Breakfast Club

Thank you to the P&C for the delicious breakfast that was made for the students last Wednesday. We received great reviews from the students who thoroughly enjoyed their bacon and egg muffins and fresh fruit. We look forward to the next one!

P & C News

Our next meeting will be held on Wednesday 4th September at 9:00am. On discussion will be our Cadbury Chocolate Fundraising, Breakfast Club, and Canteen Days. Thank you for your support and attendance in advance.

Drought Support

If any families on tank water face a complete lack of water due to the drought or are running very low before supplies can be organised. Please contact the school as we can organise for you to use the shower at school to ease the burden. Please contact the school if you are in need!

SRC Fundraiser

Thank you to everyone who made or bought cupcakes for the SRC fundraiser. They were able to raise a whopping \$58.90 for the school. The next fundraiser will be a movie and popcorn day on the last day of this term.

Responsible Pet Education Program

The wonderful Vicki visited school again yesterday to deliver the Responsible Pet Education Program for our children, as always this is a valuable tool that teaches children of all ages tools and behaviours that should be practised around dogs in particular. Her very well behaved and gorgeous helper this year was 10 year old Zac, a border collie. Zac is due for retirement from his job due to his age but we hope he can maybe have one more year at work.

Linc our other visitor the Australian Shepherd is now retired too. We look forward to their visit in 2020.
