A proud member of the Bucketts Way Community of Schools

## Term 3, Week 6, 2022

Congratulations to all of our students for an amazing fortnight at Stratford Public School! Thank you to all of the families who were able to attend our combined Education and Book Week celebrations on Wednesday, and to those who were able to join us via Zoom. It was great to see all of the students and staff dressed up as characters from their favourite books. Students were able to share things with their families that they were proud of this term, and the weather was perfect for our story sharing session and picnic lunch.

We have lots of activities happening in the next few weeks - please keep an eye on messages and announcements through Seesaw.
